HI-LEVEL

HX-Pro PORTABLE SSD

Brand:	HI-LEVEL
Model:	PORTABLE SSD HX-PRO
Capacity:	500 GB	1 TB
Transmission Speed:	Speed Up To 1200mb/s
Dimension:	105mm x 34mm x 10mm
Weight:	About 36,5g
Interface Protocol:	USB 3.2 Gen 2
Interface Type:	Type-c
Material:	Aluminium Alloy
UASP Mode:	Support
Os:	Windows/Mac/Linux/Android/PS4/XBOX ONE

• The data are measured in the laboratory, and the actual use is slightly different according to the situation

• *Performance may vary depending on host configurations. To achieve the maximum transmission speed of 1200MB/s, the host device connection cable must support USB 3.2 Gen 2, and UASP mode must be anabled (Win 7 and lower windows versions fails to support UASP).
